

Summer School 2018

‘Our Amazing World, with Kokomo & Friends’
Monday July 16th to Saturday August 25th
Open 8.00am to 7.00pm, ages 14 months to 8 years

Kspace International School is the perfect place for busy and working parents to ensure continuity for children throughout the holidays.

We invite children for 6 weeks of top quality lessons, fun and ‘edutainment’! Children pack their imaginary backpacks and join us for a whirlwind trip around the globe. We’ll travel in fantasy hot air balloons, submarines, magical buses and even by camel – accompanied by colourful characters from beloved movies like ‘Up’, ‘Despicable Me’, ‘The Adventures of Tin Tin’, ‘Ponyo’, Harry Potter and more!

Summer School F.A.Q.

Q. How many times do we have to attend?

There is no fixed limit of attendance – come for just one day or for the whole summer period! Membership & joining fees remain the same regardless of attendance. Dates are fixed.

Q. When do we have to enroll?

You can enroll at any time however we cannot reserve or guarantee places unless they are paid in advance. Summer School is very popular with many return families, so please try to book early.

Please note: We do not allow drop-ins.

Q. Is lunch provided or is it packed lunch?

Both options are available.

Packed Lunch: If your child has any allergies or needs a specific dietary menu you must provide a meal (plus snack/snacks). We have a very strict Food/Drink Policy that will be sent to you.

Q. My child is still toilet training. Can we join?

Yes! Please talk to us about immersion programmes to settle your younger child. You will be asked to read and sign our Toilet Code.

Q. Are all these lessons in English?

Yes, instruction is in English. Our teachers are predominantly native English speakers from the U.K., Australia/New Zealand, Canada, America and some countries in Europe.

We do not unfortunately provide a Japanese translation service.

We also offer extra after-school ESL classes and even 1-1 tuition options. Japanese language 1-1 classes might also be available.
