

Reading home Booklet 1

Phonics

At KSpace, your child will learn to read with **Read Write Inc.** Phonics, a very popular and successful literacy programme. This **first booklet** shows you how you can get your child off to a quick start.

Your child will learn to read in a very simple way.
He or she will learn to:

1. Read **letters** by their 'sounds'
2. Blend these sounds into **words**
3. Read the words in a **story**.

How will my child learn to read?

First, your child will learn to read:

- Set 1 Speed Sounds: these are sounds written with one letter: **m a s d t i n p g o c k u b f e l h r j v y w z x** and sounds written with two letters (your child will call these 'special friends'): **sh th ch qu ng nk ck**
- Words containing these sounds, by sound-blending, e.g. m-a-t mat, c-a-t cat, g-o-t got, f-i-sh fish, s-p-o-t spot, b-e-s-t best, s-p-l-a-sh splash
- Red Ditties, and Green and Purple Storybooks.

Second, he or she will learn to read:

- Set 2 Speed Sounds: **ay ee igh ow oo oo ar or air ir ou oy**
- Words containing these sounds
- Pink, Orange and Yellow Storybooks.

Third, he or she will learn to read:

- Set 3 Speed Sounds: **ea oi a-e i-e o-e u-e aw are ur er ow ai oa ew ire ear ure**
- Words containing these sounds
- Blue and Grey Storybooks.

Your child will be taught to say the sound for the letter and not the letter name, so 'm' as in 'mat', not 'em'; 's' as in 'sun' not 'es'.

How to listen to your child read

Do not read the book aloud before your child reads it to you.

Ask your child to read the sounds and words before he or she reads the story.

When your child reads the story, ask him or her to sound out the words that he or she can't read automatically. Don't allow your child to struggle too much.

Praise your child when he or she succeeds.

Read back each sentence or page to keep the plot moving.
(Your child's energy is going into reading the words not the story.)

Do not ask your child to guess the word by using the pictures.

Do it all with patience and love!

We hope that by reading a bedtime story to your child every night, whether you are reading in English or a different native language, you will help your child develop a love of books.
See our resources list for book lists and recommendations.

1. Help your child read the Set 1 Speed Sounds

Before you get going, visit www.ruthmiskin.com/parents to practise saying the sounds clearly. The more clearly you say the sounds, the more quickly your child will learn them.

Important: We say 'mmmm' not 'muh' and 'lllll' not 'luh' when teaching the sounds. This really helps children when they learn to blend sounds together to read words.

Your child will study the Set 1 Speed Sounds.

You'll see that each sound is drawn in the shape of a picture. For example:

- 's' is in the shape of a snake
- 'd' is in the shape of a dinosaur
- 'a' is in the shape of an apple
- 'm' is in the shape of two mountains.

Using the Set 1 Speed Sounds cards

The name of each picture is written on the back of the cards.

1. Ask your child to say the name of the picture on the back of each card, e.g. a-a-a-apple, ssssssnake, getting quicker each time.
2. Help your child to say the sound hidden behind each picture, e.g. 's' is behind the snake. Repeat until your child can do this quickly.
3. Help your child to say the sounds on the letter side, getting quicker each time. If he or she forgets, turn back to the picture side.
When your child can say the sounds without turning over to check, increase the speed!

Learning the Speed Sounds in the classroom.

2. Help your child to read words

Once your child can read Set 1 Speed Sounds confidently, he or she can learn to read words. First, your child is introduced to a toy frog called Fred. Fred can only say the sounds in a word and needs your child to help him read the word. So, when you hear your child say 'Fred Talk', you'll know this means sounding out the word.

You can help your child to read words by following these steps:

Fred says the sounds and children work out the word.

1. Make up a word with three cards that your child can read quickly, e.g. c-a-t.

Point to and say the sounds, and then say the word. Ask your child to copy you.

Muddle up the cards. Ask your child to make the word again, and then point to and say the sounds.

Repeat with more 3-sound words, including some containing sounds made up of more than one letter, e.g. ch-a-t, sh-i-p, th-i-s.

2. Put out three cards. This time, ask your child to say the sounds. Help him or her to blend the sounds into the words, until your child can do it without your help.
3. Repeat with some 4-sound words, e.g. b-l-i-p, f-r-o-g, g-r-i-n, s-t-o-p, j-u-m-p, h-a-n-d, b-l-a-ck.

3. Help your child read the by Sound Blending

Ask your child to read each word in sounds (Fred Talk) and then say the word.

4. Help your child read the Storybooks

Black and White Storybooks

As soon as your child starts to read the Read Write Inc. Phonics Storybooks, he or she will bring home a black and white Storybook. This is a copy of the colour version he or she will have read at school.

Your child will have read this story with their reading teacher, so should be able to read the story confidently.

A brief explanation of how to follow the activities is included in the books.
