SEWING IS AWESOME!

We made lovely pillows (with a case)!

They began the lesson working on their pillows and then continued to make the 'case'. Everyone did an amazing job and their patience was fully developed. That was a very impressive job girls!

After a long fun time of machine and hand sewing alternately, our smart girls felt delighted knowing that they would be bringing home their well loved 'pillow with case' project.

GREAT JOB EVERYONE! Keep up the great work.

WELL
DONE
GIRLS!
