

Aspace Ballet (3 to 5 years)

Wednesday October 5th, 2022

Dear Ballet families,

The young ballerinas are always so excited for their ballet lessons each week and have thoroughly loved their recent dance session. The children have been continuing to work towards their Ballet Show at the end of the term, practising their routine and ballet techniques to the music from the movie and stage production *The Sound of Music*.

Show Date: Wednesday December 14th

The music that the ballet students have been enjoying recently is called The Lonely Goatherd, which is full of punchy rhythms and a very catchy melody, perfect to get everyone swinging their arms, hopping, skipping, and moving to the beat.

Well done ballerinas.

Teacher Jo
