

Pre-Phonics

Tuesday October 4th, 2022, 2-3pm

Dear Aspace families,

In today's Pre-Phonics lesson the children were practicing the letter /t/ with a special focus on t-t-tigers.

We began with a very creative worksheet that saw us tracing and colouring a magnificent t-t-t and practiced some vocabulary with the initial sound of /t/. We reviewed turtle, tennis, t-shirt, and tiger.

As we were looking at these magnificent creatures for our letter sound, we took to a dazzling sensory station to explore the striking orange and black stripes of the tiger. We used small bowls to scoop up the orange and black rice and mix up the two colours. Finally it was time to create some vibrant green /t/-/t/-turf for our little tigers to roam around in.

Thank you everyone! From Teachers Chloe and Christian
