

# WORD WIZARDS

**4 to 7 years old**

Mondays 3:00pm - 4:00pm

Specialist literacy teacher Gareth Hanley weaves some magical spells and sprinkles and some 'GOT IT!' dust over some of the 'tricky words' in the English language.

Over the weeks, children learn how to use words that usually cause a lot of confusion - and how to decipher many of the naughty letters and sounds that are slippery enough to trip us up! Word Wizard Gareth waves his magic wand over his young students and they become little wizards and witches, prepared with their own mental magic that will make reading and writing easier in the future.

Join this small focus group, dedicated to zapping its way to the truth about the trickies!
