Private Music Tuition - Piano

Ages 3 to 11 years, beginner to advanced level

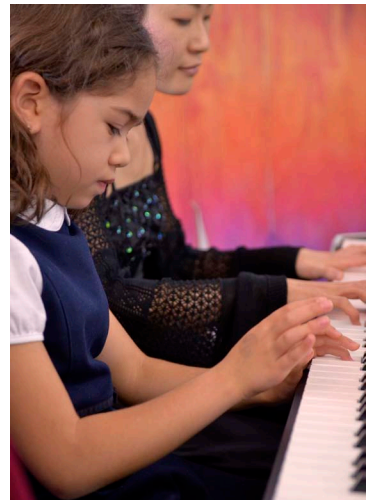

Private Piano Lessons

At Kspace we offer private 1-1 music tuition in many instruments, including piano.

Our private piano tutor Nicolo Bello is great with children of all ages and levels. He makes students feel that they can achieve things in their early stages of learning and creates a lesson plan that suits their individual level of ability and personality. Nic is a kind and encouraging teacher who ensures that parents are kept well aware of lesson content and progress.

Kspace private music students are invited to appear in our school music recitals/performances for parents when they are ready and willing.
