

Sparkling Stars

4 to 6 years

In Sparkling Stars we teach English through activities that are perfect for this busy and curious age group. We offer a lot of fun, variety, stimulation and challenges that build on basic language skills. Through games, art & crafts, and a combination of academic exercises, the children can learn to love English!

Language Level

We welcome beginner level English learners to advanced students. For previously enrolled Saturday students, Sparkling Stars is the perfect stepping-stone between the Shooting Stars and Super Stars levels.

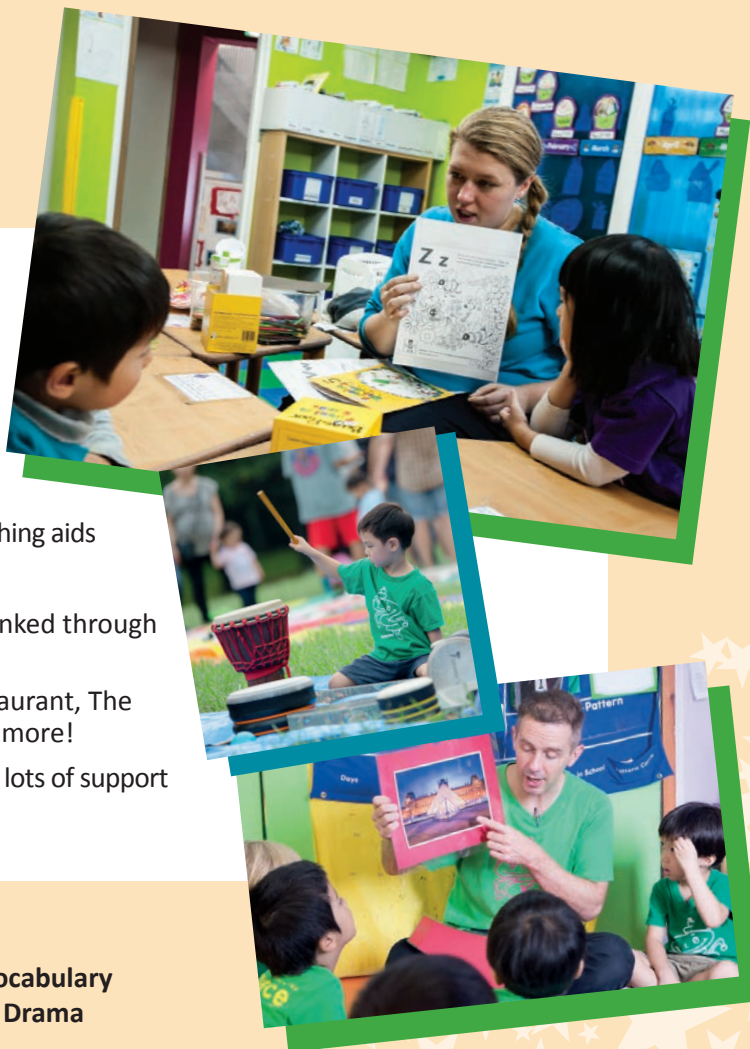

COURSE CONTENT

Our itinerary is like a mini-kindergarten with a great balance of mental, physical and creative stimulation!

- Easily memorable and useful English
- Focus on teaching other age appropriate skills like penmanship, literacy and maths
- Great learning materials, stories, colourful and appealing teaching aids
- Props and role-play in English
- Full thematic learning: Craft & story/gym play etc. are all linked through to the theme
- New and exciting themes every month, including The Restaurant, The Doctor's Surgery, The Airport, The Supermarket and many more!
- Easy-to-understand and practical explanations, repetition and lots of support
- Every stage broken down into easy to understand units!

Sparkling Stars Uniform

All Kspace children wear a Class Coloured T-shirt with our mascot Kokomo on it. Sparkling Stars wear green. Children must wear plimsolls/uwabaki inside the school.

Saturday School Meals

Children can order a special snack & meal set that is catered for them by Kspace, or you may send in packed lunch. Kspace operates a strict no nuts/allergens policy and parents are sent full details on our food/drink exclusions.
