

Kspace Food Policy – Aspace

Drink: Only water for the children's drinks please. Send in a full drinking bottle that is labeled with your child's name, and you can give your child an extra bottle or water (labeled) if they get very thirsty.

No Milk, yoghurt drinks, fruit juice, or any type of tea or other drinks are allowed and dairy is not allowed on the premises.

Note: Unfortunately we cannot wash out your child's water bottle at the end of the day.

Food:

We have a very strict school policy that must never be broken please. We have children with fatal allergies at the school and we wish to protect them and keep the school hazard-free at all times.

NO:

- Nuts
- Sesame
- Dairy
- Chocolates
- Products that contain nuts (even trace elements) or are made near nuts or in same factory.
- Sweets/candies
- Mochi, dango and konyaku or any jellies are all ***strictly banned***

None of these items are allowed in the building. Also, when we have community events and picnics you will also be asked not to provide these items.

Packed Lunches: Food that is sent in packed lunches must not be highly perishable (like eggs) as we cannot store food. Please avoid strong odours e.g. natto, raw onions, kimchi etc.

Snacks: Please do not put sweets (candies/lollies) etc in your child's school bag.

Sharing: Children are not allowed to share food with anyone. They are taught not to share meals and to only eat their own food.

Birthdays: (Main International School children). If your child has a birthday you may order a cake that is specially prepared for us by Kiwi Kitchens. Only this cake is allowed and must be ordered and paid for in advance. Do not send in cakes from outside or bake your own please. Also, please do not provide any party bags or souvenir foods gifts to share with classmates.

Lunch boxes cannot be fully washed out and we do not have a policy of reporting back to parents daily how much children have eaten. If your child is observed to have any problems at all with their eating patterns we will contact you.
