Saturday December 19th - Kspace Bumper Christmas Party!

What a day to look forward to! Our children will enjoy a bonanza of Christmas fun as we give them a special pre-Christmas party, with themed treasure hunts, reindeer obstacle courses, Christmas crafts galore and a roof-raising Christmas Karaoke party in the gym!

We celebrate in style with our usual Saturday blend of winter time fun as well as our regular Phonics and Maths activities - threaded through our great theme, so the children don't even know they are studying!

Today we will be asking, 'How will Santa deliver all those presents?'. He needs a great workout and some training to get prepared, and today children are going to help him - in 'Santa style' we'll enjoy team games, challenges, and physical fun! Children will love seeing how many presents they can get into their sacks, and how quickly they can climb down the pretend chimney in our beautifully equipped soft gym.

The classes will wind down some searches around the class for special 'treasure', but Ho, Ho, Ho....who is visiting? **DON'T TELL THE KIDDIES...** but it's a special visit from 'Santa'! Our children will enjoy posing in our Christmas Photo Booth for a Christmas photo shoot, and they will be delighted with their own special Christmas bounty to bring home!

Additional Party Fee: ¥3,000 (Includes Santa Claus Gift)

Mondays – Winter Tales From Around The Globe

Content: Seasonal Stories, Phonics/Literacy & Theatre Style Fun

Winter is a great time to cozy-up together and enjoy a huge range of Christmas stories. On Mondays we will be looking at some endearing winter tales from all around the world, including some countries where it's actually bubbling hot on the beach for Christmas time! Our cute puppets and other colourful materials make learning the very best of fun! These 'workshops' are a great chance for all five age groups to enjoy some of the very best children's books, brought to life in each group by our special 'Mystery Guest' readers. We will be looking at a massive variety of books like Dream Snow (Eric Carle), The Snowy Day (Ezra Jack Keats), Under My Hood I Have a Hat (Karla Kuskin) and many, many more!

Alongside beautiful story times with blankies and snacks, the children will have 'raise the roof' style Christmas Carol practice with catchy songs, dances and games. Props, costumes, theme-based fun...so much action to look forward to on these special dates, when we bring some movie-style drama and role-play for the children.

For our 'welcome back' class after Christmas we will be celebrating the year ahead with some silly songs about famous sheep and some goats...and some exciting skits about New Year.

Mondays - December 21st and 28th

Tuesdays – Tinsel Time Workshops

Art, Design & Sensory Fun

Kspace is well known for its fun and amazing approach to teaching art. In these Winter School art workshops all children get to learn, explore, and enjoy a wonderful range of creative projects across the age groups. From creation of full winter white villages, castles and icy lands, to large scale murals and 3D woolly fantasy goats - we guarantee you child will enjoy projects like no other! The children will be getting messy with texture, weaving, plaster, clay and lots of lots of white fluffy materials to set the scene. Each day we have a group class project & exciting 'take home' art task, and lovely groups photos with our work as mementos.

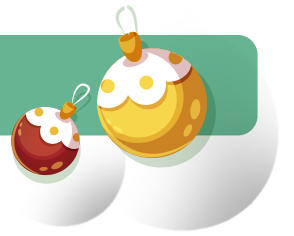

Each age group will have lots of opportunity for a range of kinaesthetic learning and sensory exploration, and we add music workshop time to spice up proceedings!

For our finale date, our massive Kokomo mascots may also make an appearance to help pose with the kiddies in their finale photo shoot on Tuesday 29th, to celebrate the end of the year and to welcome in The Year of the Goat!

Tuesdays - December 22nd and 29th

Media & Communication with Parents

During Winter School we hope to give you a window into your child's time with us through lovely newsletters.

You will receive links to these sent to your email address and you will also have access to a members' website that holds all Saturday/Seasonal School updates. You can download the newsletters or take a look at other info and learn more about what we do at Kspace.

Note: Parents that enroll with us for Winter School receive a Winter School Starter pack before the start of Winter School. This has all information about access to your online media winter members' web and password.

You will also receive a set of forms to sign. In this authorization pack you will be asked to sign a notice that gives us permission to photograph and record your child. Unfortunately it isn't possible in the Seasonal School periods to segregate individual children or make special arrangements whilst recording. We are here to answer any of your questions.
