About Spring Camp

Kspace Spring Camp 2023 invites Kspace members, exclusively. We have limited availability across age groups for children 14 months to 4 years and we recommend early booking.

Spring Camp is the only time in the year when guest students can attend midweek regular sessions at the same time as our international school students. As well as increasing children's learning and experiences in the holidays, parents love our level of support and the great feedback we offer at the end of the week. ELL students have opportunities to build on their English across a full week of study with a huge variety of great activities. They can deepen friendships and increase confidence with the guidance of our talented teachers.

In addition to the group sessions, private 1-1 tuition can be pre-booked for the period if needed (age 3+), with an additional fee.

Across the weeks the children will enjoy exciting theme materials and school favourites including musical circle times, sports, science, phonics, maths, cooking, art and dramatic play.

IMPORTANT NOTES

There are no trial periods permitted during Spring Camp. All children must already have an active Kspace Membership.

Attendance in Spring Camp 2023 must be purchased in blocks of at least one week, and priority placement will be offered to students who attend most regularly. Children must attend across each midweek session from Monday to Friday.

Saturday School runs each week and this can be added to your booking or deducted from your regular, pre-purchased Saturday School blocks.

In order to offer our selected students places in Spring Camp during the pandemic, we must do our best to protect your child and our community. Unfortunately we cannot offer casual bookings for less than the amount of days and hours stated above.

Add-Ons

We can assure your child of an excellent choice of extra curricular classes and extended care options. You can add 'Breakfast Club from 8.00am' and extended collection times as late as 7.00pm.

Closure Dates

We aim at Kspace to offer as much continuity as possible. Please note that we have school meetings on some dates:

Tuesday March 28th - Closed for students that we place in our regular Pink or Red Butterfly classes. (In this week only, these parents may book just for 4 sessions).

Age Groups

During Spring School 2023 we are limiting invites to children ages 14 months to *4 years old.

Children are placed in the following groups:

Spring Lower School
(Caterpillar & Chrysalis)
14 months to 3 years

Spring Butterfly
3 to 4 years

UNIFORM NOTES:

*If your child was age 4 by August 31st 2022 they are welcome in Spring Camp but will be placed in Spring Butterfly, Monday to Friday (with Red Butterfly students). They will be required to wear a Red's uniform Monday to Friday, even if they usually wear green in our Saturday Sparkling Stars.

**From April 3rd onwards Spring Campers can choose to wear Kspace Winter or Kspace Summer uniform items. Please see uniform PDF.
